*Your family for life*

# small**GROUPS**

---

Harvest Time truly wants to be “Your family for life”. So what does that mean? How do we make that happen? In two words: **Small Groups**.

Regardless of where you are in life’s journey, small groups provide a vital network of people who care about you and your situation. In seasons of joy or adversity your Small Group is often “where life happens.”

Small Groups give us an opportunity to live out 1 Corinthians 12:25 “..... the members may have the same care for one another.”

The New Testament is full of commands that instruct us to help each other in the development of our spiritual lives. Through Small Groups people learn to interact with other Christians in a Biblical way, get the benefit of the experience of believers from all walks of life, and make friendships that last a lifetime.

Everywhere you turn at Harvest Time, you’ll hear dramatic stories from people whose lives have been transformed by their time spent in a Small Group with Christian friends and leaders.

Harvest Time Small Groups is where life happens! If you’re not in a Small Group, you’re missing out on an incredible opportunity to connect with other people. There are many Small Groups to choose from. Let us help you find a Small Group that’s just right for you! Call 479-646-6001 to begin the journey.
